New Distributor of Neptronic Products

cometal
MÉCANIQUE ARCHITECTURE

Montreal, QC, February 22, 2017 – Neptronic is pleased to announce its partnership with Cometal for the distribution of its products for the National Capital Region and Eastern Quebec. Cometal will distribute the entire line of electric humidifiers and electric heaters manufactured by Neptronic.

With over 53 years of experience in the HVAC industry, Cometal has an experienced sales team that will provide exceptional service for all needs related to Neptronic products.

“All members of the Cometal team are proud of this new partnership and we are now ready to serve customers in our region with Neptronic products.” says *Alain Pouliot*, Cometal’s President.

“We are confident that the distribution of our products by Cometal will strengthen Neptronic's position as a leading HVAC product manufacturer for the Eastern Quebec market.” says *Luis I. Melgares*, Neptronic’s VP of Sales and Marketing.

About Neptronic

Founded in 1976, Neptronic is a private corporation that designs, manufactures and distributes products for the HVAC industry. The Neptronic product line includes intelligent controllers, electronic actuators, actuated valves, humidifiers and electric duct heaters.

Products are designed and manufactured by over 200 dedicated employees in an 80,000 ft² (7,500 m²) state-of-the-art facility located in Montreal, Canada. Using a vertically integrated plant model, all R&D and manufacturing capabilities are located under one roof; from software and hardware development, to SMT circuit board assembly, to sheet metal fabrication, to product testing.

Neptronic is committed to research and development, provides innovative products and technologies and exports over 85% of its sales through an exclusive distribution network for the HVAC industry worldwide.
