Neptronic is back from the AHR 2022 show in Las Vegas!

Montreal, Canada | February 9th, 2022 - Another AHR Expo completed. We're proud to say that the 2022 AHR Expo has been yet another success for Neptronic.

We would like to thank everyone who attended the show and came out to see our latest additions such as, the **SKVF Evaporative Cooler, Zoning Systems, CMMB1020, Fast-Acting Actuators** and more. We welcome any questions that you may have regarding our products.

A great time was had by all, and we hope to see you again for AHR 2023!

Why Neptronic?

At Neptronic, we pride ourselves in our ability to adapt to diverse applications. We have been at the heart of humidification innovation since 1976 to help enhance process efficiency and end-result quality by generating the ideal ambient conditions for our customers' needs.

Committed to research and development, we constantly aim to improve our products' reliability and precision. Our dedicated team of over 300 experts works in Montreal, Canada to create the ideal solutions for your applications.
