Neptronic at the Electricity and Energy Convention in Israel

Montreal, Canada | October 18th, 2022 - Neptronic will be a proud participant at Electricity and Energy's 22nd International Annual Convention in Israel. The annual convention will take place from **November 8th to 11th, 2022**, at the Herods & Dan Hotel in Eilat, Israel. Neptronic will be located at Booth #20.

The Electricity and Energy exhibition is one of Israel's most significant technological gatherings. The convention offers companies and visitors an opportunity to explore the fields of electrical engineering, air conditioning, renewable energy, electric transportation and much more.

Neptronic is excited to increase its exposure to the electrical and energy engineering community, as we welcome visitors to our booth and show them all Neptronic has to offer.

We are grateful for your continued support and look forward to seeing you there.

Why Neptronic

At Neptronic, we pride ourselves on our ability to adapt to diverse applications. We have been at the heart of humidification innovation since 1976 to help enhance process efficiency and end-result quality by generating the ideal ambient conditions for our customer's needs.

Committed to research and development, we constantly aim to improve our products' reliability and precision. Our dedicated team of over 300 experts working from Montreal, Canada, all strive to create the ideal solutions for your applications.
