O'Dell HVAC Group now represents Neptronic across Greater Toronto Area

Montreal, Canada | August 28th, 2024 - Neptronic is pleased to announce that O'Dell HVAC Group, our existing agent in parts of Ontario, is now expanding their mandate to include the Greater Toronto Area (GTA). Notably, Toronto is the biggest economical market in Canada.

Effective immediately, O'Dell will manage the GTA, bringing their exceptional expertise and service to clients and engineers across these regions.

O'Dell HVAC Group President Nathan Martin said, "O'Dell HVAC Group is thrilled to announce the expansion of our territory with Neptronic. This extension not only represents a significant opportunity for growth but also reinforces our strong partnership."

"We are excited about the future and look forward to continuing our successful collaboration, bringing innovative solutions to more customers," Martin added.

Rony Abi-Nahed, Neptronic's Regional Sales Manager, stated, "We are thrilled to see O'Dell take on the GTA. Their impressive performance in Ontario reflects their dedication to excellence, and we are confident that their expanded role will greatly benefit our clients in the GTA with the same high standards of service."

The company is confident that this expansion will enhance our support and continue to drive excellence in all our interactions.

Why Neptronic?

At Neptronic, we pride ourselves in our ability to adapt to diverse applications. We have been at the heart of humidification innovation since 1976 to help enhance process efficiency and end-result quality by generating the ideal ambient conditions for our customers' needs.

Committed to research and development, we constantly aim to improve reliability and precision
